REFRIGERATOR AND FREEZER TEMPERATURE LOG

- This log must be displayed on each unit used to store food for the breakfast program.
- The temperature of the refrigerators and freezers must be taken by the person responsible for the program upon arrival.
- REFRIGERATOR TEMPERATURE MUST BE BETWEEN 0 AND 4 °C (32 and 39 °F). IT SHOULD NEVER BE ABOVE 4 °C. If the temperature is above 4°C, promptly notify the school principal.
- FREEZER TEMPERATURE MUST BE AT OR BELOW -18 °C (0 °F).

Breakfast CLUB of Canada

Write the date, temperature and your initials in each square. EX: 8 /3°C /
